#### **CALL FOR PARTICIPANTS**

## 65<sup>TH</sup> EDITION OF THE NORDIC BRIGADE OF SOLIDARITY WITH CUBA

#### Dear friends:

The Cuban Institute of Friendship with the Peoples (ICAP) and its Travel Agency Amistur Cuba S.A. have the pleasure to invite you to participate in the 65<sup>th</sup> Contingent of the Nordic Brigade of Voluntary Work and Solidarity with Cuba, which will take place from **December 18<sup>th</sup>**, **2023 until January 3<sup>rd</sup>**, **2024.** As it is traditional, the main objective of this program is to share with friends who visit us a new anniversary of the triumph of the Cuban Revolution as well as to provide them a greater knowledge of the reality of our people and of the social achievements gotten after 64 victorious years, despite tightening of the economic, financial and commercial blockade policy imposed by USA governments on Cuba.

The program includes visits to places of historical, economic, cultural and social interest, lectures on current national issues and meetings with representatives of organizations of the Cuban society and the people in general, among other activities. It also includes recreational activities, screening of Cuban films, dance classes, productive agricultural work and other solidarity events. This will offer you the possibility of getting closer to the idiosyncrasy of our people and to understand even more the reasons that sustain and strengthen our Revolution.

The program of activities will take place in the provinces Artemisa, Havana and Pinar del Rio; 17 nights of staying, 13 of them in the International Camp "Julio Antonio Mella" (CIJAM), located in the Caimito municipality, 45 km away from Havana and 4 nights in Pinar del Rio, the westernmost province of the island, known as best tobacco's land and famous for its beauty and rich nature.

The whole stay will cost **690.00 Euros** per brigade member. It includes lodging (in shared rooms for up to 4 people at CIJAM), double or triple rooms in Pinar del Rio, three meals daily, transfer in—out from the airport and transportation to all the activities planned in the program. If the total of participants in the brigade is ultimately under 50 persons, the cost of participation will rise to **795.00 Euros**, which will be known appropriately, before doing corresponding payment. Optional activities are not included in the overall cost to be paid and will mean an additional cost. The payment method is through bank transference or online-payment gateway. It is an essential condition to travel with medical insurance that has coverage in Cuba. Brigade members who arrive at CIJAM before December 17<sup>th</sup>, 2023, must pay an additional supplement of 15.00 Euros per night, for accommodation and meals.

Agricultural work will be carried out in areas surrounding the camp, created in 1972, which has adequate conditions to satisfy collective life as well as needs of people who visit us from

different parts of the world. With the assistance, the brigade member agrees to comply with the indicated program and to properly observe the rules of conduct, discipline and social coexistence, as well as follow hygienic-sanitary measures.

Registration will be open until November 17<sup>th</sup>, 2023. To confirm your participation, we request that you send to the emails: <a href="mailto:director.europa@icap.cu">director.europa@icap.cu</a> <a href="mailto:euronorte@icap.cu">euronorte@icap.cu</a> and <a href="mailto:amiventas@amistur.cu">amiventas@amistur.cu</a> the following information: name and surnames, passport number, age, date of birth, profession, languages spoken, country of origin, organization you represent, date, time and number of the arrival flight to Cuba as well as date, time and number of departure flight. Participants who are in Havana before beginning of the brigade will be guaranteed transportation to CIJAM, which will leave from ICAP Headquarters on December 17<sup>th</sup>, 2023 at 5:00 p.m.

We would like to have your presence in the 65<sup>th</sup> edition of the Nordic brigade of voluntary work and solidarity with Cuba, so that all together we may share what it has traditionally been an unforgettable experience in favor of peace and brotherhood among our peoples.

Fraternally,

Claudia Pérez Berlanga Director of the brigade Cuban Institute for Friendship with the Peoples
